

Totally Tangled

Each numbered circle is connected to another numbered circle. FIND the pairs of numbers, and COLOR any pair that shows a number with that number correctly rounded to the nearest ten.

HINT: Numbers that end in 1 through 4 get rounded down to the nearest ten, and numbers that end in 5 through 9 get rounded up to the nearest ten.

Rounding & Estimating

Just Right

WRITE each of the numbers to correctly complete the sentences. There may be more than one place to put a number, but you need to use every number.

HINT: Numbers that end in 1 through 49 get rounded down to the nearest hundred, and numbers that end in 50 through 99 get rounded up to the nearest hundred.
