

Fix-Up Strategies

Use these strategies to help you learn!

- A.** This is a new word. How can I find out what it means?
- B.** When I read those words, the picture in my head is...
- C.** This part is confusing. Should I read it again or just keep going in case it is explained later?
- D.** Did that make sense?
- E.** How does this relate to what I know?
- F.** What worked and why did it work?
- G.** How can I use this new information?
